Product description:

- Perfect pencils for learning to draw.
- From an early age, practice fine motor skills with KIDEA, which is responsible for the precision of movements and dexterity.
- Ergonomic crayons that force the correct grip are perfect for children who are starting their adventure with art.

-
- They exercise hand muscles perfectly, and their cute shape stimulates the child's imagination and encourages creativity!
 - Meet our cute teddy bears in 6 intense colors - brown, yellow, pink, gray, blue and green.
 - This is a great proposition for every toddler!
