## Product description:

- A cute pencil sharpener with an eraser in the shape of a cute bear.
- 2 in 1 product: consists of a soft eraser and a sharpener with a safety blade and a container for waste.
- Use a sharpener to sharpen crayons and pencils of standard thickness, and the eraser will erase and correct the drawings very well, without damaging the paper or rubbing the pigment.

- 
- Perfect for school and kindergarten, but also for creative games at home.
  - Its most important advantage is a handy size that easily fits into a pencil case.
