Product description:

- A super strong glue for universal use in household and industry, in printing houses, bookbinding workshops, libraries, antiquities, also in schools and kindergartens.
- Irreplaceable in artistic and plastic works, modeling, in decoupage, scrapbooking and cardmaking techniques, useful in finishing works and various minor repairs.
- Designed for gluing: paper, cardboard, cork, wood, fabrics, aluminum foil, it creates a colorless, durable and flexible joint that does not crumble when bending the glued products.
- The glue is available ready-to-use, it does not contain harmful solvents.
- 500 ml capacity
