Product description:

- Poster paints are water-based, covering paints with clean and intense colors. Due to their excellent adhesion, they are suitable for painting on such surfaces as: paper, cardboard, wood, ceramics, and stone. After drying, the painted surfaces are matte with intense colors, resistant to light and abrasion. The high quality of the paints is achieved thanks to the high-quality pigments and binders used in the production of these paints, as well as the production technology.
