Product description:

- Face and hair painting kit - a must-have for a small artist!
- The set includes washable green hair chalk, face paints in 5 intense colors (red, blue, black, white and yellow), a precise brush, an applicator and decorative glitter in an interesting texture.
- The set includes everything you need to create a spectacular make-up!
- Thanks to their excellent properties and the full range of basic colors, the paints can be mixed freely and obtain any colors we need.
- Precise brush, great for drawing precise contours, while larger surfaces can be covered with an applicator.
- The entire styling can be completed with glitter and green highlights on the hair, made with washable hair chalk.
- All products are safe, which has been confirmed by strict laboratory tests.
- Package dimensions: 21.5 x 17.5 x 2 cm
